## Musical Fun!

- Save old plastic bottles and their lids
- Decorate a piece of paper that will be big enough to fit round the bottle – you could draw a picture, use stickers or cut out pictures of musical instruments and stick them on.
- Sellotape your decorated paper around your bottle.
- Now experiment with different fillings for the shaker. You could try rice, dried peas, pasta or for a softer sound what about putting some sugar into your shaker?
- Sing and shake along to your favourite music.
